CVA is founded on the belief that students, parents and community deserve a high quality education that exceeds educational standards. The school focuses on building students' character, and challenging students to work at their ability level. CVA also believes in high parental involvement within the school setting.

CVA offers a preschool/pre-K program, and serves the communities of Firestone, Frederick and Dacono, Colorado and the surrounding areas of Mead, Ft. Lupton, Longmont, and Erie. The school is part of the St. Vrain Valley School District.

CVA uses a Core Knowledge based curriculum in all grades, including preschool. Spanish is taught in grades K-6. The school also offers music, art, and PE. Seventh grade will be added in the 2006-7 school year, and eighth grade will be added the following year.
